

Play keeps a dog's mind and body active and builds happier, healthier, better behaving pups. Boredom can lead to destructive behavior like chewing, licking, digging or barking. Precious Pets Hotel makes sure this doesn't happen. At Our dog day camp, we provide dogs with interaction, stimulation, play time and nap time. Precious Pets Hotel ensures a fun, clean, healthy and nurturing environment that dogs look forward to because our staff dedicates their time to ensuring your dog is well cared for and safe at all times. We get to know your dog and your dog gets to know us truly becoming part of our family. Our staff is trained in animal behavior. Before placing your dog with other dogs, we carry out a full behavioral assessment to ensure the safety of your dog, as well as others.
